

# About IFMA and the Northeast Wisconsin Chapter

International Facility Management Association (IFMA) is the largest and most widely recognized professional association for facility management. Globally, IFMA certifies facility managers, conducts research, provides educational programs, recognizes facility management degree and certificate programs and produces World Workplace, the largest facility management-related conference and exposition.

The Northeast Wisconsin Chapter of IFMA was chartered in 1992. Since then our membership has tripled and represents facility managers from all facility types – corporate, education, healthcare, manufacturing, public utilities, and government.

Our chapter carries out the IFMA mission to provide information and educational opportunities to corporate, contract, government and healthcare facilities managers.

#### We do this by:

- Holding monthly meetings from September to June
- Distributing monthly newsletters
- Touring area facilities
- Holding networking events
- Participating in the statewide Tri-Chapter Symposium

***Our success as an organization depends on your sponsorship.***

***Please take advantage of this opportunity to not only support facilities management, but also to gain valuable exposure for your products and services.***

## Sponsor Pledge Card

### Sponsorship Program

Today's Facility Managers are responsible for the planning, construction, and the ongoing management of buildings, personnel and budgets. Our chapter supports these activities and appeals to businesses, like yours, that provide a high level of service to members in these positions. Funds collected will support: education, activities, programs, local projects, local student scholarships and other charitable donations.

Please contact Lydia Bessert at 920-491-9955 or [lbessert@baylake.com](mailto:lbessert@baylake.com) for more information.

Please make a commitment to support excellence in facility management.

To make a contribution, supporting the facility management community, please complete and return this card.
